AUFIRE

AUFIRE is the best in-person, realistic closed environment, situational, tactical training for first responders. We teach beyond critical moments to help save lives and bring everyday heroes home.

DESCRIPTIONS

334510 - Electromedical and Electrotherapeutic Apparatus Manufacturing

This U.S. industry comprises establishments primarily engaged in manufacturing electromedical and electrotherapeutic apparatus, such as magnetic resonance imaging equipment, medical ultrasound equipment, pacemakers, hearing aids, electrocardiographs, and electromedical endoscopic equipment.

611699 - All Other Miscellaneous Schools and Instruction

This U.S. industry comprises establishments primarily engaged in offering instruction (except academic schools, colleges, and universities; business, computer, and management instruction; technical and trade instruction; and fine arts, sports, recreation, language, exam preparation, tutoring, and automobile driving instruction).

611430 - Professional and Management Development Training

This industry comprises establishments primarily engaged in offering an array of short duration courses and seminars for management and professional development. Training for career development may be provided directly to individuals or through employers' training programs, and courses may be customized or modified to meet the special needs of customers. Instruction may be provided in diverse settings, such as the establishment's or client's training facilities, educational institutions, the workplace, or the home, and through diverse means, such as correspondence, television, the Internet, or other electronic and distance-learning methods. The training provided by these establishments may include the use of simulators and simulation methods.

621999 - All Other Miscellaneous Ambulatory Health Care Services

This U.S. industry comprises establishments primarily engaged in providing ambulatory health care services (except offices of physicians, dentists, and other health practitioners; outpatient care centers; medical and diagnostic laboratories; home health care providers; ambulances; and blood and organ banks).

AUFIRE

AUFIRE is the best in-person, realistic closed environment, situational, tactical training for first responders. We teach beyond critical moments to help save lives and bring everyday heroes home.

DESCRIPTIONS

624310 - Vocational Rehabilitation Services

This industry comprises (1) establishments primarily engaged in providing vocational rehabilitation or habilitation services, such as job counselling, job training, and work experience, to unemployed and underemployed persons, persons with disabilities, and persons who have a job market disadvantage because of lack of education, job skill, or experience and (2) establishments primarily engaged in providing training and employment to persons with disabilities. Vocational rehabilitation job training facilities (except schools) and sheltered workshops (i.e., work experience centers) are included in this industry.

513210 - Software Publishers

This industry comprises establishments primarily engaged in software publishing. Establishments in this industry carry out operations necessary for producing and distributing computer software, such as designing, providing documentation, assisting in installation, and providing support services to software purchasers. These establishments may design, develop, and publish, or publish only. These establishments may publish and distribute software through subscriptions and/or downloads.

611420 - Computer Training

This industry comprises establishments primarily engaged in conducting computer training (except computer repair), such as instruction in computer programming, software applications, computerized business systems, computer electronics technology, computer operations, and local area network management. Instruction may be provided in diverse settings, such as the establishment's or client's training facilities, educational institutions, the workplace, or the home, and through diverse means, such as correspondence, television, the Internet, or other electronic and distance-learning methods. The training provided by these establishments may include the use of simulators and simulation methods.

AUFIRE is the best in-person, realistic closed environment, situational, tactical training for first responders. We teach beyond critical moments to help save lives and bring everyday heroes home.

HOW THIS CODE PERTAINS TO YOUR BUSINESS!

334510 - Electromedical and Electrotherapeutic Apparatus Manufacturing

This is the NAICS Code that describes your primary product. It describes the primary function of your product. However, because your product is designed as one thing but is also engineered to serve another purpose I suggest that this code be described in conjunction with the following code. The following are descriptors that fit your business under this code:

Electrotherapeutic apparatus manufacturing, Electrotherapy units manufacturing, Electrocardiographs manufacturing, Electromedical therapy equipment manufacturing, Electromedical equipment manufacturing,

611519 - Other Technical and Trade Schools

This code describes the primary use of your product and also who uses it. This code can be used as your primary NAICS Code because it includes the primary use of your product. The following are descriptors that fit your business under this code:

Security guard training, Specialized military training (except flight instruction, academies, and basic training), Police training schools

611699 - All Other Miscellaneous Schools and Instruction

This is a great code to add to the forefront of NAICS Codes that describe your product, service and application. The following are descriptors that fit your business under this code:

Self defence (except martial arts) instruction, Survival training instruction, Firearms training

611430 - Professional and Management Development Training

This code is a strategic choice because it includes the training aspect of your business. The AUFIRE Vest includes training from an instructor that is following user guides produced by your company. This code may not be one that fully describes your business but lets clients and investors know that you can provide that additional professional management to get the best use out of the AUFIRE system. The following are descriptors that fit your business under this code:

Continuing education seminars or conferences, Management development training, Professional development training, Quality assurance training

621999 - All Other Miscellaneous Ambulatory Health Care Services

This code encompasses the health and fitness aspects. It was chosen to show that the software is about physical fitness and being physically evaluated and trained to perform at peak levels. The following are descriptors that fit your business under this code:

Physical fitness evaluation services (except by offices of health practitioners)

Government Agencies that are looking for these NAICS Codes

This is the part of the gig where I show you Governmental Agencies that are looking for these NAICS Codes. Below are some examples of current solicitations searched under the NAICS Code:

611519 - Other Technical and Trade Schools

Department/Ind. Agency

DEPARTMENT OF VETERANS AFFAIRS

Minneapolis VA Police Officers are mandated by the Department of Veterans Affairs to qualify in continuing education essential to an effective police operation and the retention of Officer Certification Law Enforcement authority. Annual law enforcement training is specialized and requires enhanced facilities provided by the nearest contractor to alleviate travel time for VA Police Personnel. GENERAL INFORMATION Scope: The contractor shall provide services to include MILO, a shoot-no shoot 3D screen with room to train and access to all firearms ranges, a defensive tactical room, large and small classrooms, a firearms simulator, and tactical use of the fire tower.

Department/Ind. Agency

DEPARTMENT OF HOMELAND SECURITY

The U.S. Coast Guard is responsible for managing the training, education, and development programs to meet the needs of its active duty, reserve, and civilian workforce. Contractor support services shall include performance analysis, instructional systems development (analysis, design, development, implementation, and evaluation), training support services and training delivery for resident training at eight possible training centre locations and CG Headquarters.

Department/Ind. Agency

DEPARTMENT OF Defence

The 17th Contracting Squadron at Goodfellow AFB, TX, is conducting market research to identify vendors capable of providing firefighter focused human performance training similar to that of O2X's training class. Minimum requirements are included in the attached document.

Getting Started

Below are 5 Steps to Getting Started making the most of your NAICS Codes.

1

Go to SAM.gov and create a login. Once logged in register your company. This can take anywhere from 15 minutes to 30 minutes. If you are having trouble check out the bonus section for resources.

2

During the registration, you will be asked to include your NACIS Codes. You will be able to input them in their form and they will populate.

3

After you answer all of the questions you will be able to submit your registration and agencies will be able to see your company.

4

In the search box that says "Already know what you want to find?" put one of your NAICS Codes in and you can find contracts looking for your services.

5

Finding contracts are not hard but getting awarded takes a strategist. In the bonus section, you will find the help you need to start a lucrative part of your business.
